MESH OUTDOOR BLINDS

A BREATH OF FRESH AIR

There is a wide range of mesh fabrics and colours available.

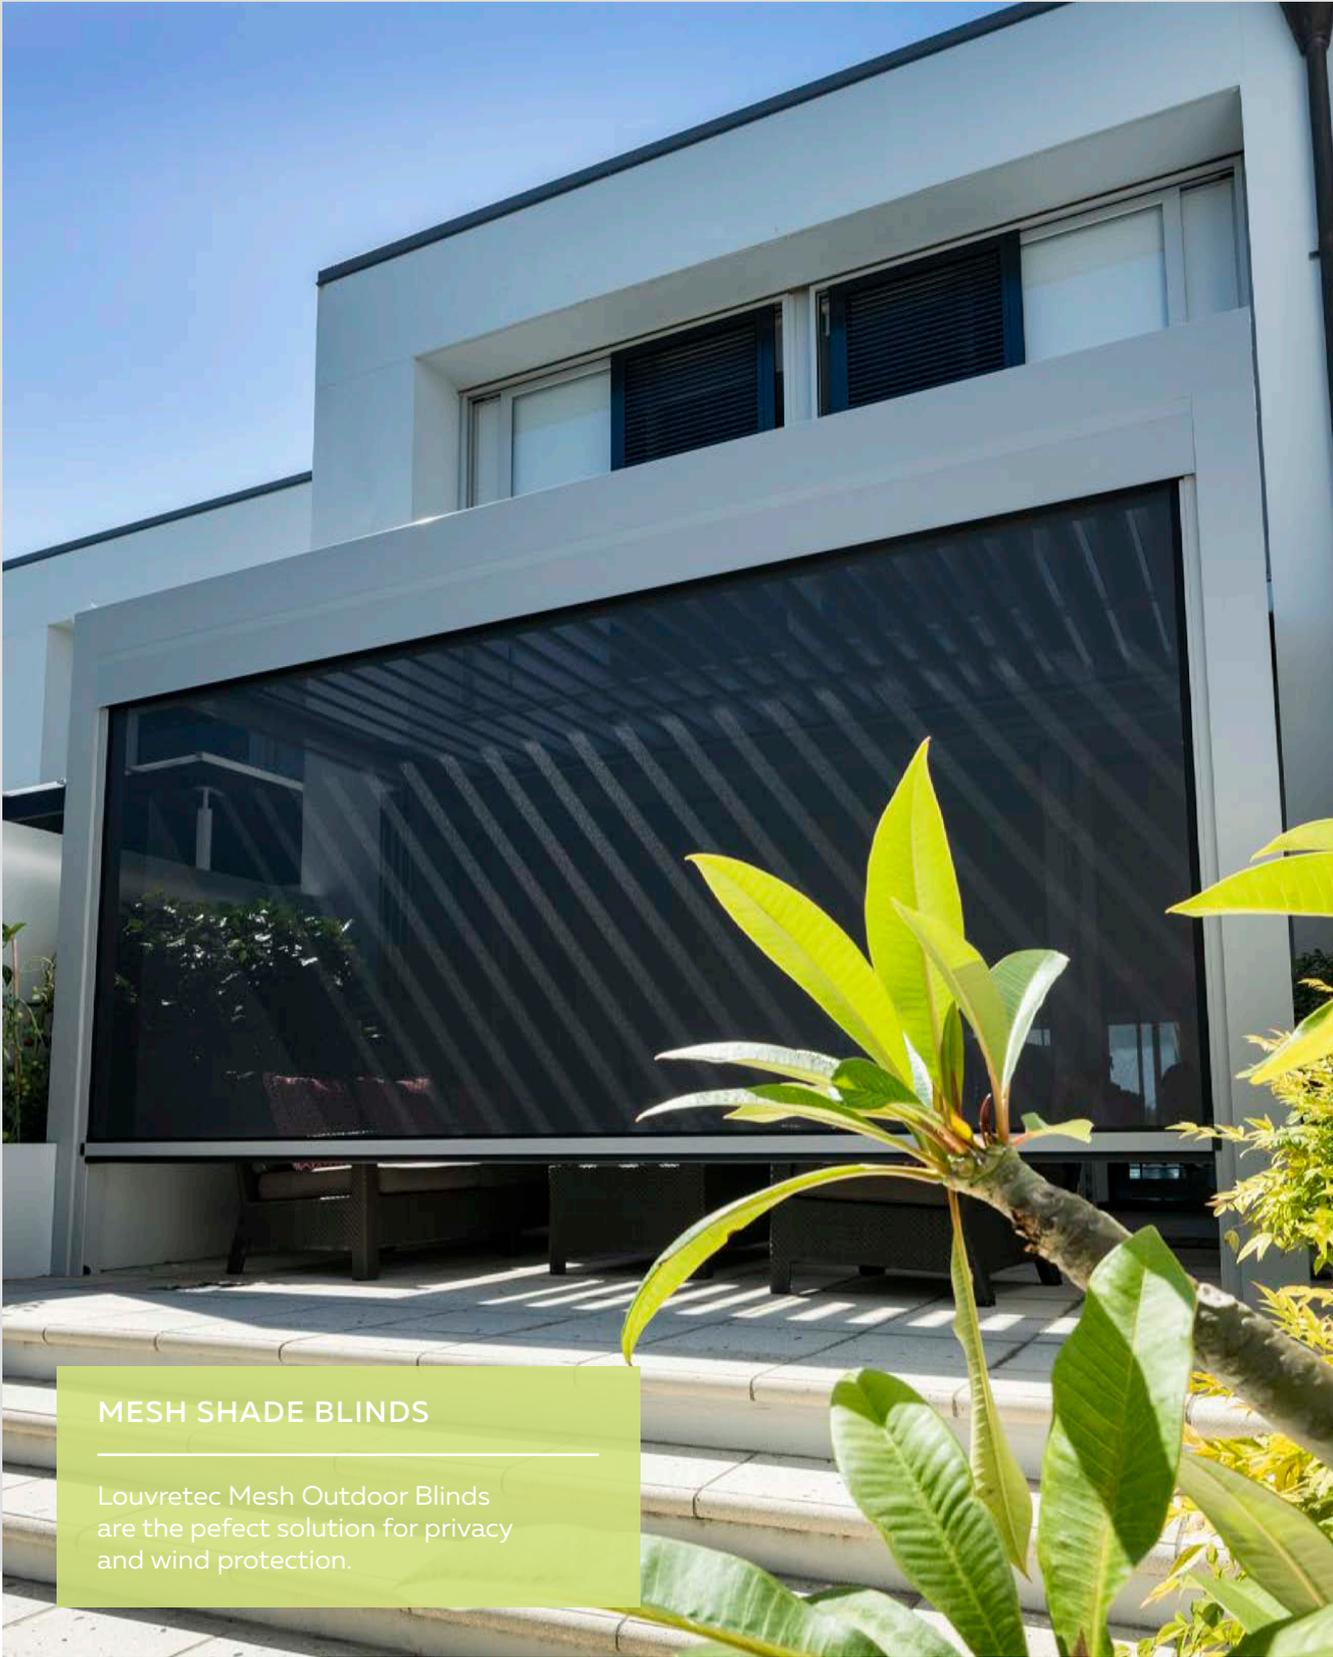

Mesh fabrics vary with the percentage of openness to their squares and are best selected according to desired levels of privacy and wind protection

Choose from either open or closed weave fabric options.

A full range of powdercoat colours is available for frames and head-box.

Head boxes or pelmets are an optional choice with mesh blinds.

Contact your Louvretec Dealer for warranty details and colour range.

PVC OUTDOOR BLINDS

NATURAL LIGHT IN + PROTECTION FROM WIND AND RAIN

Clear PVC blinds are great for unrestricted view and when air flow is not required when the blinds are all the way down.

When PVC is required, Clear PVC is fitted in most instances, however PVC is also available with a range of solid non-see through colours!

A full range of powdercoat colours are available for the frame of your PVC Outdoor Blind - expertly matched to your Louvretec Opening Roof they sit under.

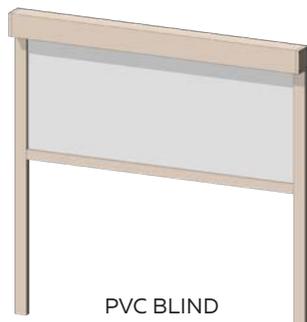

It's important to note that due to the unstable nature of PVC, there is no manufacturer's warranty available for the PVC skin itself. PVC Outdoor Blinds are only available Hand Operable.

Louvretec does not supply head-boxes with PVC Blinds - please discuss this with your Louvretec Dealer.
