- Blades rotate open up to 170°
- When closed enjoy a cosy haven below
- Fully engineered & warranted

EXPRESS QUOTE & EXPERT ADVICE

A "base-price" quotation will be given to you on the spot.
Our sales team will also provide wind zone guidance.
NB Your site needs to be site ready as site preparation is not included.

HAVE YOUR SITE READY FOR US

The Suburban Express requires you to have your site ready for immediate installation by our installers including even ground/decking/concrete pads.

Installation is by Louvretec, however you and your builder can also install the Suburban Express.

STREAMLINED PRODUCTION LINE

Louvre blades, framing, posts, extrusions & componentry are held in stock waiting your order.

STILL CUSTOM MADE, STILL FULLY ENGINEERED

Suburban Express Roofs are made to your precise requirements & to your wind zone. Peace of mind knowing they are fully engineered.

COLOUR OPTIONS
from the new Dulux Duralloy +PLUS colour range
Choose from a range of powder coat colours from the new Dulux Duralloy +PLUS colour range.

This range carries a 15 year durability & colour fastness warranty.

Suburban eXpress™
BY LOUVRETEC
