

Slidetec Glass Sliding Doors

BPIR Declaration

Version: V1

Designated building product: Class 2

Declaration

Louvretec New Zealand Ltd has provided this declaration to satisfy the provisions of Schedule 1(d) of the Building (Building Product Information Requirements) Regulations 2022.

Product/system

Name	Slidetec Glass Sliding Doors
Line	Louvretec Products

Description

Slidetec Glass Sliding Doors are a New Zealand designed and manufactured, made to measure, glass screen system.

Using 10mm or 12mm Toughened Glass panels and extruded Aluminium bottom rails and top guides, the glass panels themselves have no vertical aluminium extrusions attached leaving a seamless appearance when the sliders are closed.

There are a number of bottom track styles to choose from to suit most deck situations. The aluminium extrusions are protected with powdercoat or anodised finishes.

Scope of use

Residential and Commercial Projects
Generally to exterior patio/deck, outside living areas.
In all wind zones as defined in 3604:2011

Conditions of use

All installations must be undertaken by Louvretec approved installers.
As per Louvretec span tables
Cannot be used as the weatherproofing solution to a building envelope.

Relevant building code clauses

B1 Structure - B1/VM1/AS1
F2 Hazardous building materials; Safety for glass & glazing methods - F2/AS1

Contributions to compliance

B1/VM1/AS1
F2/AS1
